# RIDER UNIVERSITY TRADITIONS

## THE PRESIDENT'S ROBE

The robe worn by the president of Rider University was presented by the Rider University Chapter of the American Association of University Professors to Dr. Dell'Omo as a welcome gift in 2015. The robe is cranberry and white, the University's official colors. It is worn by the president at formal academic occasions.

## THE RIDER ROCK

The Rider Rock was initiated by students in 2006 to honor generations of Rider students and to connect them to the symbolic Rider Elm, the emblem of learning and the cycles of life. Incoming Rider students touch the Rider Rock following New Student Convocation, and graduating seniors complete the cycle during Senior Week. The five-foot-high granite rock, located on the Lawrenceville Campus Green, is inscribed with Rider's motto, the Latin words "In Omnia Paratus," which translates to "in all things prepared." The inscription continues, "By touching the Rider Rock, we affirm our commitment to the pursuit of knowledge and the betterment of our world. Through the time we spent here, we are forever joined to the past and future generations of students and to Rider University."

## THE PRESIDENTIAL MEDALLION

The Presidential Medallion was presented to Dr. Dell'Omo on the occasion of his inauguration as Rider's seventh president. The Presidential Medallion depicts the seal of the University and is inscribed with the University's motto, the Latin words "In Omnia Paratus," which translates to "in all things prepared." Circular links of the chain represent each of the colleges and the names of each of Rider's seven presidents are engraved on curved banner links. The medallion is worn by the president at official University functions of high solemnity when academic attire is worn.

## THE MACE

The mace, carried at the head of the procession, is a traditional symbol of authority at governmental, ecclesiastical and scholarly occasions. Originally a warlike implement, it has evolved in form and fabric to fit its present ceremonial purpose. Of silver and ebony, the mace of Rider University is a memorial to Roland T. Henderson, Class of 1949, and was presented in 1975 by his widow, Elizabeth. The names of Rider's seven presidents are engraved on the mace.

## RIDER UNIVERSITY STATEMENT OF COMMUNITY VALUES

---

In our endeavor to make Rider University a just community, we commit ourselves, as caring individuals, to the following principles:

- that our rigorous intellectual life nourishes our minds and spirits;
- that no person travels these halls as a stranger;
- that integrity of word and deed forms the foundation of all relationships;
- that we recognize that real leadership is derived from service to others;
- that we celebrate our differences for they are our strength;
- that we are proud of this special place, entrusted to us by past generations, nurtured by us for future ones;
- that we share not one Truth, but respect our common pursuit for understanding;
- and through the time we spend here, we are forever joined to each other and to Rider University.

*Adopted on University Day, April 12, 2001*

## ACADEMIC HERALDRY

---

The wearing of caps, gowns, and hoods at college and university functions dates back to the Middle Ages when they were first worn by monks and students in order to keep warm in the damp and drafty 12th-century castles and halls of learning. Through the years, their style and color have come to represent certain exact meanings.

- Gowns for the associate's and bachelor's degrees, worn through undergraduate study, have a semi-stiff yoke, long pleated front and intricate shirring across the shoulders and back. The gown is worn closed and is primarily distinguished by its long, pointed sleeves.
- The gown for the master's degree has the same yoke effect as that of the bachelor's, but is so designed that it may be worn open or closed. The back of the sleeve is oblong and square cut.
- Gowns for the doctoral degree are also worn open or closed. They have long velvet panels down the front and three velvet bars on the bell-shaped sleeves. This velvet trimming may be either black or the color distinctive of the field of learning to which the degree pertains.
- Caps may be mortarboards or soft, square-topped caps. The tassel of the associate's and bachelor's caps may be black thread; the tassel for the master's cap, silver thread; and the tassel of the doctor's cap, gold thread.
- At Rider University, the tassel color indicates graduation with honors: undergraduate degree candidates receiving their degree with honors, cum laude, magna cum laude, or summa cum laude, wear white tassels. Master's degree candidates receiving their degree with distinction wear tassels of cranberry.
- The hood gives further color and meaning to the academic costume. The hood is a shell of varying sizes for the baccalaureate and graduate degrees and of material to match the gown. It is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning:
  - Business/Drab
  - Education/Light Blue
  - Liberal Arts/White
  - Science/Gold
  - Fine and Performing Arts/Brown
  - Nursing /Apricot

## HONORARY DEGREE RECIPIENT

### JOE PLUMERI

---

Rider University is proud to bestow an Honorary Doctor of Laws to Joe Plumeri at its 2017 Commencement Ceremony.

Plumeri has enjoyed a career spanning six decades in global commerce, community leadership and service on behalf of large, publicly held companies, small and medium-sized businesses, and civic and philanthropic causes. Known in the business world as a turnaround specialist, Plumeri has worked at the center of five major corporate transformations: Shearson-Lehman, Citigroup, Primerica, Willis, and First Data.

Today, beyond his work as a private investor and philanthropist, Plumeri is vice chairman of the Board of Directors of First Data Corporation, the world's largest

payments and business solutions company. He joined the company in 2013 after serving for 13 years as Chairman & CEO of Willis Group Holdings and, prior to that, more than 30 years in a variety of leadership roles at Citigroup and its predecessor companies. In addition to his role at First Data, Plumeri serves as a senior advisor to Kohlberg, Kravis Roberts & Co. L.P. (KKR).

A native of Trenton, N.J., Plumeri has always stayed true to his roots, regularly serving on boards and contributing to organizations in the state. He is an owner of the Trenton Thunder, the AA-affiliate of the New York Yankees, and the Lakewood Blue Claws, the A-affiliate of the Philadelphia Phillies. He supported the efforts of his father, Samuel Plumeri, a one-time

Trenton City commissioner and longtime community leader in Mercer County, in bringing a team back to his native Trenton and building a new stadium. Its arrival helped revitalize the waterfront area of Trenton.

Plumeri's generous philanthropy has drawn many accolades. Among many projects and initiatives, he has supported the construction of the Samuel & Josephine Plumeri Wishing Place, the headquarters of the New Jersey Chapter of the Make-A-Wish Foundation; the Joe Plumeri Center for Social Justice and Economic Opportunity at New York Law School; and the Plumeri Awards for Faculty Excellence at The College of William & Mary, his alma mater.

## HONORARY DEGREE RECIPIENT

---

## ROCHELLE R. HENDRICKS

---

Rider University is proud to bestow an Honorary Doctor of Laws to Rochelle R. Hendricks at its 2017 Commencement Ceremony.

Hendricks was named the first secretary of higher education for the State of New Jersey in May 2011. As secretary, she is responsible for policy and program development to enhance the capacity and competitiveness of New Jersey's higher education institutions. In this role, Hendricks has focused on advancing the blueprint for higher education reform as recommended by the Governor's Higher Education Task Force. She has implemented the New Jersey Medical and Health Sciences Education Restructuring Act and the Building Our Future Bond Act, building cross-sector state and national partnerships.

In March 2013, Lt. Governor Guadagno named Hendricks as the newest member of the New Jersey Partnership for Action. She is also chair of the Council on Innovation, established to enhance collaboration among academia, business, industry and the state.

In 2014, Hendricks was appointed to the State Ethics Commission by Governor Christie, and she was elected vice chair of the Educational Facilities Authority Board.

Hendricks is a founding member of the Policy Steering Council for the Center for Higher Education Strategic Information and Governance at Stockton University. She is a member of the Educational Leadership Foundation of New Jersey Board of Trustees and an ex-officio member of the Board of Trustees for the New Jersey Institute of Technology.

Before her higher education appointment, Hendricks served in several roles at the Department of Education and also worked for more than 15 years at Princeton University in numerous capacities. She started her career as a teacher at Rumson-Fair Haven Regional High School.

Hendricks is the recipient of numerous academic, leadership and service recognitions from diverse state and national organizations. Hendricks graduated from Temple University and Princeton Theological Seminary. She is an alumna of Princeton University's Graduate Teacher Program and Bryn Mawr University's Institute for Women in Higher Education.

## THANK YOU!

Thank you to each contributing member of the Class of 2017 for coming together to invest in the future of Rider by making your first gift to the University!

In coordination with the Student Government Association and the Student Entertainment Council, and to formally solidify their lasting legacy on campus, the Class of 2017 is dedicating the money raised from their class gift campaign to The Rider Fund, and in turn, the new fire pit will be named in their honor.

Congratulations and best wishes for a bright and successful future!

**Go forth and Be BOLD!**

- The eco-friendly caps and gowns being worn by graduates are made from 100 percent, post-consumer recycled plastic bottles with an average of 23 bottles used to make each gown. Funding for the GreenWeaver™ graduation gowns has been provided by the Rider University Energy and Sustainability Steering Committee (ESSC).
- In addition, this souvenir Commencement book has been printed by an FSC-certified printer with vegetable-based inks on FSC-certified paper with 10 percent post-consumer waste recycled content.
- The Forest Stewardship Council (FSC) is an international network existing to promote responsible management of the world's forests. The FSC label identifies products that contain wood from well-managed forests certified in accordance with the rules of the FSC, which ensure that people, wildlife and the environment benefit from the forestry practices. FSC certification is globally recognized as being the most credible and strongest system for ensuring well-managed forests.
