## **THE TRADITION OF THE RIDER ROCK**

The Rider Rock was initiated by students in 2006 to honor generations of Rider students, past, present and future and to connect them to the symbolic Rider Elm, the emblem of learning and the cycles of life.

Incoming Rider students touch the Rider Rock following New Student Convocation, and graduating seniors complete the cycle on Commencement Day. At the end of their Commencement ceremony on the Campus Green, graduates have an opportunity to walk by and touch the Rider Rock, which is located adjacent to the Bart Luedeke Center Patio.

The five-foot-high granite rock is inscribed with Rider's motto, the Latin words "In Omnia Paratus," which translates to "in all things prepared," along with the insignia of the tree of knowledge and 1865, the year Rider was founded. The inscription continues, "By touching the Rider Rock, we affirm our commitment to the pursuit of knowledge and the betterment of our world. Through the time we spent here, we are forever joined to the past and future generations of students and to Rider University."

## **THE MACE**

The mace, carried at the head of the procession, is a traditional symbol of authority at governmental, ecclesiastical and scholarly occasions. Originally a warlike implement, it has evolved in form and fabric to fit its present ceremonial purpose. Of silver and ebony, the mace of Rider University is a memorial to Roland T. Henderson, Class of 1949, and was presented in 1975 by his widow, Elizabeth. The names of Rider's seven presidents are engraved on the mace.

## **THE PRESIDENT'S ROBE**

The robe worn by the president of Rider University was presented by the Rider University Chapter of the American Association of University Professors to Dr. Dell'Omo as a welcome gift. The robe is cranberry and white, the University's official colors. It is worn by the president at formal academic occasions.

## **THE PRESIDENTIAL MEDALLION**

The Presidential Medallion was presented to Dr. Dell'Omo on the occasion of his inauguration as Rider's seventh president. The Presidential Medallion depicts the seal of the University and is inscribed with the University's motto, the Latin words "In Omnia Paratus," which translates to "in all things prepared." Circular links of the chain represent each of the colleges and the names of each of Rider's seven presidents are engraved on curved banner links. The medallion is worn by the President at official University functions of high solemnity when academic attire is worn.

# *Rider University Statement of Community Values*

---

In our endeavor to make Rider University a just community, we commit ourselves, as caring individuals, to the following principles:

- that our rigorous intellectual life nourishes our minds and spirits;
- that no person travels these halls as a stranger;
- that integrity of word and deed forms the foundation of all relationships;
- that we recognize that real leadership is derived from service to others;
- that we celebrate our differences for they are our strength;
- that we are proud of this special place, entrusted to us by past generations, nurtured by us for future ones;
- that we share not one Truth, but respect our common pursuit for understanding;
- and through the time we spend here, we are forever joined to each other and to Rider University.

*Adopted on University Day, April 12, 2001*

## *Academic Heraldry*

---

The wearing of caps, gowns, and hoods at college and university functions dates back to the Middle Ages when they were first worn by monks and students in order to keep warm in the damp and drafty 12th-century castles and halls of learning. Through the years, their style and color have come to represent certain exact meanings.

- Gowns for the associate's and bachelor's degrees, worn through undergraduate study, have a semi-stiff yoke, long pleated front and intricate shirring across the shoulders and back. The gown is worn closed and is primarily distinguished by its long, pointed sleeves.
- The gown for the master's degree has the same yoke effect as that of the bachelor's, but is so designed that it may be worn open or closed. The back of the sleeve is oblong and square cut.
- Gowns for the doctoral degree are also worn open or closed. They have long velvet panels down the front and three velvet bars on the bell-shaped sleeves. This velvet trimming may be either black or the color distinctive of the field of learning to which the degree pertains.
- Caps may be mortarboards or soft, square-topped caps. The tassel of the associate's and bachelor's caps may be black thread; the tassel for the master's cap, silver thread; and the tassel of the doctor's cap, gold thread.
- At Rider University, the tassel color indicates graduation with honors: undergraduate degree candidates receiving their degree with honors, cum laude, magna cum laude, or summa cum laude, wear white tassels. Master's degree candidates receiving their degree with distinction wear tassels of cranberry.
- The hood gives further color and meaning to the academic costume. The hood is a shell of varying sizes for the baccalaureate and graduate degrees and of material to match the gown. It is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning:

### JUDITH K. BRODSKY

---

Rider University is proud to award the Honorary Doctor of Fine Arts to noted artist, educator and arts advocate Judith K. Brodsky at its 151st Commencement ceremony.

Over her lifetime, Brodsky's vision, leadership and teaching have had an extraordinary effect on the art world, especially in her home state of New Jersey. In 1986, she founded the Rutgers Center for Innovative Print and Paper, which has earned an international reputation in the world of contemporary printmaking by cultivating artists and employing master printers and papermakers and state-of-the-art facilities that are equipped to produce work in virtually all print media. It was renamed the Brodsky Center for Innovative Editions in 2006 in her honor. More than 300 artists have worked with the Brodsky Center since its founding, and their prints are now included in the collection of major museums throughout the United States and abroad.

Brodsky, one of the founders of the American Feminist Art Movement, has worked at the intersection of art and social change for many decades. A Distinguished Professor Emerita in the Department of Visual Arts at Rutgers University, Brodsky co-founded the Rutgers University Institute for Women and Art (now called The Rutgers Center for Women in the Arts and Humanities) and the Coalition of Women Artists' Organizations. She is a former president of the College Art Association, National Women's Caucus for Art and ArtTable. She has influenced policymaking surrounding art by serving on the many organizations' boards, including ArtPride/New Jersey, Jersey City Museum and the New York Foundation for the Arts.

In addition to being an incredible patron of the arts, Brodsky is an artist herself. In her work, she has explored a wide range of subjects and issues, including family, gender and memory. Her drawings, etchings and prints serve as powerful visual responses that document her interpretations of the defining moments of her life and times. More than 100 museums and corporations around the globe hold Brodsky's work in their permanent collections. Rider proudly displays several of Brodsky's paintings around campus, including in the office of President Gregory G. Dell'Omo, Ph.D.

Brodsky received her bachelor's degree from Radcliffe College, Harvard University, and her Master of Fine Arts from Tyler School of Art, Temple University.

Dr. Donovan, who specializes in organizational behavior and human resource management, earned his doctorate in industrial/organizational psychology from the University of Albany, State University of New York in 1998. In July 2012, Dr. Donovan became the director of the Executive MBA program. In nominating him for the Distinguished Teaching Award, a student wrote, "He displays an enthusiasm for teaching that is unparalleled, and his character and teaching ability have helped make Rider an amazing experience."

### **DR. CATRINEL HAUGHT TROMP**

*Assistant Professor, Psychology*

Dr. Haught-Tromp has earned a reputation for delivering thought-provoking lectures with warmth, humor and intelligence. In nominating Dr. Haught-Tromp, one student wrote, "Dr. Tromp is one of the most helpful and compassionate professors on this campus. She does everything in her power to make her classes interesting and push you to do your best."

## *2016 Dominick A. Torio Research Award*

---

### **DR. TONY BAHRI**

*Professor, Mathematics*

---

Dr. Tony Bahri has been a member of the Rider faculty Mathematics Department since 1983. For the past decade, he has focused his research on toric topology, a relatively new field that uses algebra and combinatorics to analyze the often counterintuitive way that shapes in multiple dimensions can be formed and deformed. Last year, Dr. Bahri, who earned his doctorate in philosophy from the University of Oxford, served as a visiting research scholar in Princeton University's Department of Mathematics.

Let's celebrate today's  
commencement on social media.  
Please use #RiderU2016 to join in  
our Commencement excitement.

---

Rider University is committed to doing its part for the environment.  
Several initiatives aimed at fulfilling that commitment are a  
part of today's Commencement ceremonies:

The eco-friendly caps and gowns being worn by graduates are made from 100 percent, post-consumer recycled plastic bottles with an average of 23 bottles used to make each gown. Funding for the GreenWeaver™ graduation gowns has been provided by the Rider University Energy and Sustainability Steering Committee (ESSC).

In addition, this souvenir Commencement book has been printed by an FSC-certified printer with vegetable-based inks on FSC-certified paper with 10 percent post-consumer waste recycled content.

The Forest Stewardship Council (FSC) is an international network existing to promote responsible management of the world's forests. The FSC label identifies products that contain wood from well-managed forests certified in accordance with the rules of the FSC, which ensure that people, wildlife and the environment benefit from the forestry practices. FSC certification is globally recognized as being the most credible and strongest system for ensuring well-managed forests.

The Alumni Affairs Team of Rider University's Student Government Association was introduced this year to create a lifelong connection to Rider University by establishing meaningful engagement opportunities for students and alumni. The program introduces Rider students to our history and traditions and demonstrates how alumni are a vital part of our past, present, and future. The Alumni Affairs Team is comprised of the elected presidents from each class year.

The team was led this year by Tara Roach, a graduating member of the Class of 2016, who worked closely with Class of 2016 President, Christina Diecidue, to launch their campaign to raise awareness and funding for The Class of 2016 Scholarship Fund. The graduates listed to the right have contributed to this campaign (as of April 25, 2016), thereby supporting a long-standing tradition of students coming together to invest in the future of Rider by making their first gift to the University.

Each graduate who contributed at least \$16, in honor of their graduation year, was presented with a Rider lapel pin to wear proudly today at Commencement.

Upon making their gift, graduates were given the opportunity to honor the members of Rider's dedicated faculty and staff who have inspired, mentored, and advised them throughout their time as students. The positive impact each honoree had on these students is immeasurable. The entire Rider community is grateful for all they have done and continue to do each day.

The funds from this campaign support a scholarship in honor of the Class of 2016 to be awarded during the 2016-17 academic year to select upper-class students whose financial situations may hinder their ability to complete their studies. To date, members of the Class of 2016 have raised the funds to award 8 scholarships.

You can still make a difference. Gifts to The Class of 2016 Scholarship Fund will be accepted through June 30, 2016. For more detailed information, or to make your gift online, please visit [alumni.rider.edu/classgift](http://alumni.rider.edu/classgift).

*Congratulations and best wishes  
for a bright and successful future!*
