

OFFICE OF GREEK LIFE

FOCUS AREAS AND GOALS

Potential Member Development and Expansion

- To better understand what incoming students expect to gain from co-curricular experiences in college
- To accurately promote Greek life, dispel rumors and clarify expectations for potential new members
- To be genuine and forthright in our interactions with those whom are not involved with fraternities and sororities
- To attract men and women of character who will perpetuate fraternities and sororities at Rider for years to come

New Member Development and Education

- To educate new members about the history of fraternities and sororities and the benefits and expectations of membership
- To develop an understanding of expectations of membership in the chapter, at Rider, and across the nation
- To build positive relationships amongst individuals in a safe and welcoming environment
- To explain and demonstrate the stated values of our institutions

Collegiate Member Programs and Leadership Development

- To compliment the University mission through co-curricular involvement and increased positive traditions and pride
- To provide educational opportunities to gain life skills and emotional intelligence that enhance the collegiate experience
- To continue positive relationships between individuals through exciting interactions
- To promote values that will perpetuate and support our chapters in the future

Alumni Development and Programs

- To assist graduates in maintaining and reviving the connection to their alma mater and to their affiliation at the national level
- To provide mentoring opportunities for alumni to give back to undergraduates
- To provide opportunities to reconnect and unite with fellow alumni
- To encourage the value of the fraternity and sorority experience to the world at large to ensure their existence for future generations

Organization Management and Support

- To ensure proper functioning of our organizations based on a prescribed standard of excellence
- To ensure integrity and ethical practices through the leadership of our organizations
- To provide resources, assistance, and materials required to meet expected outcomes
- To hold high the value of continuous learning and dedicated leadership

Values Integration and Congruence

- To understand our role and give back to the communities of which we are a part
- To participate fully and actively pursue relationships that are beneficial
- To promote positive experiences, attitudes, and interactions by holding each other accountable in word and deed
- To integrate our individual and chapter values into our daily operations and allow them to guide our activities

Housing and Facilities Management

- To provide a safe, well maintained, and comfortable living environment that supports the integrity of the University and of our fraternities and sororities
- To provide healthy, sanitary, and well managed dining services
- To create an enjoyable atmosphere that compliments an educational learning environment
