

S. RES. 8

Bicycle Identification and Security.

IN THE SENATE OF THE WESTMINSTER SGA

MARCH 3, 2005

Ms. VASSALLO submitted the following resolution; which was considered and agreed to

RESOLUTION

Bicycle Identification and Security.

Whereas many students on the Princeton campus would like to utilize the bicycle racks in the breezeways between Dayton, Ithaca, and Princeton Halls (the “DIPs”);

Whereas some bicycles locked on campus bicycle racks have not been unlocked or used in over two years and may not even belong to current University students: Now, therefore, be it

Resolved, that

- 1 The Students request the Dean of Students Office,
- 2 in conjunction with the Facilities Department and
- 3 the office of Safety and Security, to require all
- 4 bicycles stored and/or locked on the Princeton
- 5 campus during one properly announced week each
- 6 semester to be tagged with the University
- 7 member’s name, phone number, and address. The
- 8 Students then request the aforementioned offices

9 to cut the locks off all bicycles locked on campus
10 racks that do not bear proper identification tags.
11 All unidentified bicycles should be taken into the
12 University's custody and donated to good will if
13 not claimed within one to two weeks.
