Westminster Conservatory of Music strives to be the best community music school in the country. As a potential recipient of financial aid, you must meet the six expectations outlined below. This will ensure that you receive the best possible music education, and that Westminster Conservatory makes the best use of its limited financial resources.

Expectations:

1. Student agrees to participate in Conservatory fundraising activities and/or to assist with Conservatory functions if asked to do so.
2. Student will attend all lessons, classes and ensembles for which they are registered. If the student is unable to attend a session, he/she will notify the teacher as soon as possible. Repeated absences will jeopardize a student's financial aid eligibility.

5. Student will practice and prepare for each lesson according to requirements designed by the teacher and student.

Students receiving financial aid will be reviewed twice during the academic year to verify compliance with the above expectations. Failure to meet the above expectations may result in the loss of aid and/or suspension of lessons.

I certify that I have read and understand this Letter of Agreement and, where applicable, have discussed it with the students listed above. I agree to abide by these expectations and/or assist the students with them.

I further certify that I have provided current, accurate and truthful information. I understand that, should I receive financial aid, I will be responsible for paying any tuition balance and applicable fees by the deadlines established by the Conservatory. I understand that the instructor will be informed that I am a recipient of financial aid (excluding the actual dollar amount) in order to help the evaluation process.
