Welcome!

Rider University welcomes you to apply for our Gifted and Talented Program. The program is designed to give high school students the opportunity to take college courses at Rider for college credit while still in their senior year.

While attending classes at Rider students will get a strong sense of the college course experience, which in turn will prepare them for their next steps. The program will also allow the gifted student the opportunity to get a head start on their degree.

Upon acceptance into the program, students go through an orientation session which will allow them to get acclimated to the University.

Rider University looks forward to helping you get ahead of the game!
