INTENSIVE LANGUAGE COURSE CREDIT  
NEBRIJA UNIVERSITY; MADRID, SPAIN  
3/15/2010

It is recommended that all students enroll in the intensive language course. The cost is covered by Rider University tuition.

1) Length of intensive course (September and January):
   - Fall: Hispanic Studies 4 weeks
   - Integrated Program 2 weeks in September
   - Spring: All 4 weeks

2) Levels of courses: beginner, intermediate 1, intermediate 2, intermediate 3, Advanced

3) Credit equivalency
   - Fall: Hispanic Studies - 3 Rider Credits (6 ECTS)  
     Integrated Program - 1 Rider Credit (3 ECTS)
   - Spring: 3 Rider Credits (6 ECTS)

4) Language level evaluation: students take a placement level test upon arrival and are placed according to their level. If they find them too easy or too hard, the University speaks with the teachers and makes sure they are moved to their appropriate Spanish level. A test at the end of the intensive course determines their placement either at the same or next (usually the case) level for regular semester courses.
