I. Attendance

II. Approval of Minutes

III. Greek Council Approval

- By approving the Greek Council, we would also be approving an Amendment to the Constitution. Wording to be discussed soon.
- Presentation by the Council: Reasons for combining the council: to unify the Greek community, which is currently divided into three (Panhel/IGC/IFC). Also, it would serve as an unbiased governing council for Greek life. They will work to increase their involvement in the campus by doing more community service and reaching out to more students.
- Voting yes would mean the approval of Greek Council, and to further discuss the verbiage of the amendment to the constitution during the next senate meeting and cabinet meeting.
- Greek Council is approved. Discussion on the verbiage of the amendment will be done at a further meeting.

IV. Treasurers Report

The communication department trip was an educational trip, so a part of the funding did not coming from the pool of spontaneous funding, but rather a separate pool for educational activities.
