I. Attendance

II. Approval of Minutes

III. Campus Walk Through Volunteers

IV. Dean Mayo Poll
   a. Communication among orgs
   b. Parking behind LRUO
   c. Paving on campus
   d. Drainage of rain; puddles around the academic buildings and resident halls
   e. More accessible ATM machines on campus
   f. More Quench stations
   g. Food/Vending Machines for the West side of campus

V. Ladybugs
   West Village is not the only building being affected. It is all over campus, even the SRC. The problem is that there has been warm weather in the past few days so eggs have hatched. Killing lady bugs is illegal so therefore as a campus we can’t do anything about it. If it gets out of control in your dorm room, contact facilities.

VI. Jamyl Mosley, Area Director for the Residence Life Office.
   • LDP 220, Minding Our Own Business. You would have the opportunity to go to middle schools in the Trenton area and teach them entrepreneurial ship. It would count as 3 credits. It could count as an elective or a business class. This is a great opportunity to build communication and teaching skills and gain experience as a leader. There is also an initial training session. If you have any questions, contact Dr. Hernandez, Sweigart Hall 357, x5509, hernandez@rider.edu.
