9. Dean Johnson replied that while the senate may choose to ratify this, ultimately, if the Board of Trustees are contrary or different with what this group comes up – this is a dense document that really needs to be analyzed by a whole lot of people. Dean Campbell would like to begin the process. As the person who ultimately has to go to the Board of Trustees, he wants to be involved.

16. Senator Benestelli said that the first thing they’d like to do is to extend the invitation of the members of SFB to become members of senate. It’s not a matter to shun but a matter of appropriate location.
