RESOLUTION
Readings and Carols Resolution

Whereas with the creation of the Westminster College of the Arts,
Westminster Choir College’s identity must be preserved for
posterity;
Whereas Readings and Carols has been a Westminster Choir College
tradition for over ten years for Westminster Choir College
students, faculty, and administrators to take part in;
Whereas the event is conceived, advertised, and coordinated as an event
of Westminster Choir College and not Westminster College of the
Arts;
Whereas one speaker at the most recent Readings & Carols Ceremony
was a full-time student of the School of Fine & Performing Arts,
not Westminster Choir College: Now, therefore, be it
Resolved, that
It is the opinion of the student body of Westminster
Choir College that future Readings & Carols
Ceremonies feature students who are full-time members of Westminster Choir College, and not other departments of Rider University. It is also the opinion of the student body of Westminster Choir College that any faculty member or administrator participating in the ceremony should have no less than 75% of their working hours take place on the Princeton Campus of Rider University.
