

ENGAGED LEARNING BASICS – A GUIDE TO YOUR RIDER GRADUATION REQUIREMENT
All Rider University students must complete an Engaged Learning Graduation Requirement

All undergraduate students must earn Engaged Learning points. There are two parts to the requirement:

| Points Requirement | Category Requirement |
|---|---|
| Freshmen status students including transfer students need to earn six (6) points. | Freshmen status students including transfer students with fewer than 31 credits need to earn points in at least two different Engaged Learning categories. |
| Transfer students with 31 or more accepted credits (sophomore, junior or senior status) need only three (3) points. | Transfer students with 31 or more accepted credits (sophomore, junior or senior status) need to earn points in one category, however, they may divide the points they earn across multiple categories if desired. |

What are the Engaged Learning Categories?

Courses and experiences that earn points are divided between six main categories:

- | | |
|--|--|
| 1. Arts, Media or Creativity (AMC) | 4. Study Abroad or Cultural Exploration (SACE) |
| 2. Civic or Community Engagement (CCE) | 5. Guided Research or Scholarship (GRS) |
| 3. Leadership or Mentoring (LM) | 6. Internship, Co-Op or Fieldwork (ICF) |

You can find a description of the categories on the Engaged Learning Program website:

<https://www.rider.edu/engaged-learning/program/categories>

How Do I Earn Engaged Learning Points?

Everyone earns points in the same way, by taking a course approved to earn points, by participating in approved experiences, and by performing volunteer community service.

I. Courses Credits you earn equal EL points, up to a maximum of 3 points earned per course. For example, GLS 285 earns 3 credits and 3 points; EDU 451 can earn up to 6 credits but will earn no more than 3 points.

The Engaged Learning Program website contains a list of courses that will automatically earn points when completed:

<https://www.rider.edu/engaged-learning/program/approved-courses>

The online Enhanced Course Roster contains a column, Course Attribute, which identifies courses that earn points and which category they are in. Some courses earn points only for a specific section that contains EL material, not for all sections, so be sure to check the ECR carefully when planning your future class schedule:

<https://ecr.rider.edu/main.php?term=202210>

Soon after the end of each semester Engaged Learning points earned for completing a course will be added automatically to your Engaged Learning transcript and will be visible in DegreeWorks.

II. Experiences On and off-campus experiences earn points based upon your hours of participation, as follows:

20 to 49 hours = 1 point 50 to 99 hours = 2 points 100 or more hours = 3 points

You can find a list of approved experiences, both on campus and off, on the website:

<https://www.rider.edu/engaged-learning/program/co-curricular-experiences>

Experience hours can be accrued across semesters or academic years to reach 20+ hours, the minimum needed to earn 1 point. Each experience has a corresponding form in BroncNation. Once you reach 20+ hours in one experience, complete and submit the form. You can find instructions on how to complete an experience form here:

<https://www.rider.edu/engaged-learning/program/student-forms-information>

Questions? Contact Sandra Ober, Engaged Learning Coordinator, at engagelearning@rider.edu

Your 250+ word written reflection is required and is the focus for approving your experience submission. Write about challenges and/or successes; what you learned about yourself, others, and the organization; how the experience relates to a course or courses you have taken; and how the experience may affect your career and beyond. Read a few well-written sample reflections submitted by your peers here:

<https://www.rider.edu/engaged-learning/program/co-curricular-experiences/reflection>

When reading your reflection, the staff reviewer has two options: approve it as submitted, or deny it, sending you suggestions on how to change or improve it. If denied, revise it as suggested and resubmit for another review. There is no limit on how many times you may resubmit an experience until it is approved. Periodically throughout each semester a report of earned points is sent to the Registrar. After the Registrar uploads the data, points will appear on your Engaged Learning Transcript and in DegreeWorks.

You are not limited to participation in only the experiences listed on the website. If an experience is not specifically listed you can use the "Other" option, found in each category, or ask the Engaged Learning Coordinator what form to use. If you are performing service hours, submit them as Community Service (see III. Community Service below.)

New Student Engagement Experience (NSEE) This experience is for all first-year freshmen and first-year transfer students to complete. Attend six (6) different Rider events. The 6 events must span three or more themes (find them on the website.) Submit all six events in one experience form in BroncNation: CCE: New Student Engagement Experience. Your Student Navigation Office (SNO) coach will review your submission. Once approved you will earn one point in Civic and Community Engagement. For detailed information see the website:

<https://www.rider.edu/engaged-learning/program/new-student-engagement-experience>

III. Community Service Volunteer your time with one or more different organizations to earn points for Community Service. Service must fit the guidelines found on the website. Keep track of service hours you perform and record them in BroncNation. You must work at least 20 hours with one or more organizations to be eligible to earn one (1) point. Instructions for submitting Service Hours are found here:

<https://www.rider.edu/academics/engaged-learning/community-service>

Service hours you submit in BroncNation will periodically be approved. Once you have reached 20+ approved hours in BN you need to sign up for a reflection session, where you will discuss your experience in a group setting. Reflection sessions are listed as an Event in BroncNation, where you must sign up to attend. After you attend the reflection session a report of attendees is sent to the Engaged Learning Coordinator who will report points earned to the Registrar. Then, the points you earned will appear in DegreeWorks and on your Engaged Learning Transcript.

TIPS AND SUGGESTIONS FOR SUCCESS WITH ENGAGED LEARNING:

1. If a Freshmen or first-year transfer student, get to know your Student Navigation Office (SNO) coach. They will assist you with the NSEE and can help with other questions you have about Rider, and more.
2. **Division I Athletes** have special requirements to meet. See the webpage for complete information:
<https://www.rider.edu/academics/engaged-learning/division-1-athletes>
3. Don't wait until the end of a semester to submit experiences or service hours. Submit them in BroncNation when you have accrued at least 20 hours. Experience reviewers are faculty or staff who are very busy too, especially at the end of each semester. Your late submission may not be reviewed until after the semester ends.
4. During course selection, discuss your Engaged Learning progress and goals with your Academic Advisor.
5. Use your years at Rider wisely! Plan ahead for how you will earn points before you reach your Senior year, when you will become very busy with more intense coursework, internships, or other commitments.
