2021 Open Enrollment - Annual Notices

HIPAA Special Enrollment Rights - If you are declining enrollment for medical benefits for yourself or your eligible dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your eligible dependents in the medical benefits provided under this Plan if you or your eligible dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days plan after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you request a change due to a special enrollment event within the 30 day timeframe, coverage will be effective the date of birth, adoption or placement for adoption. For all other events, coverage will be effective the first of the month following your request for enrollment.

As of April 1, 2009, the Plan must allow a HIPAA special enrollment for employees and dependents who are eligible but not enrolled if they lose Medicaid or CHIP coverage because they are no longer eligible, or they become eligible for a state's premium assistance program. Employees have 60 days from the date of the Medicaid/CHIP event to request enrollment under the Plan. (Please see the "Medicaid and the Children's Health Insurance Program (CHIP) Offer Free Or Low-Cost Health Coverage To Children And Families" notice.) If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law. To request special enrollment or obtain more information, contact your local human resources department, and any additional contact information of the appropriate plan representative.

The Newborns' and Mothers' Health Protection Act - Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

The Women's Health & Cancer Rights Act - If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, deductibles and coinsurance apply based on the option in which you are enrolled. If you would like more information on WHCRA benefits, call your local Human Resources Department.

HIPAA Privacy Notification

The privacy rules under the Health Insurance Portability and Accountability Act (HIPAA) requires The Rider University Employee Health Care Plan, Dental Plan, Flexible Spending Account Plan and Employee Assistance Plan (the "Plan") to periodically send a reminder to participants about the availability of the Plan's Privacy Notice and how to obtain that notice. You have the right to a paper copy of this Notice. To make such a request, submit a written request to ***HIPAA Privacy Officer, Office of Human Resources, Rider University, 2083 Lawrence Road, Lawrenceville, NJ 08648, (609) 896-5000, x7286.***

You may also obtain a copy of this Notice at the University's website.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility –
