

## **OUTREACH GRADUATE ASSISTANTSHIP ZOERNER HOUSE COUNSELING CENTER ACADEMIC YEAR 2021-2022**

### **SUMMARY:**

Seeking 3 Graduate Assistants to work in collaboration with clinical staff to provide outreach programming to Rider University campus. The goal of the programs provided is to raise student awareness of psychological/educational health and wellness issues related to the college population. Opportunities available to create, design and implement, mental health and wellness programs that reflect one's own personal and professional interests as well as continue already established programming. Open to those who enjoy interaction with the student body and professional staff as well as educating others. Must be able to present mental health and wellness information to small and large groups. Must be skilled at online technology/social media and be willing to learn new technologies. Must be able work 3 days a week on campus. Attendance at a weekly staff meeting is mandatory. Outreach Grad Assistants are also expected to be available for consultation after normal business hours as needed to coordinate programming. This is not to interfere with course work or other obligations. Related duties as assigned.

### **REQUIREMENTS:**

Candidates should be enrolled in and have taken a course in the Master's Program in Counseling with either a concentration in Clinical or School Counseling. Must be at a stage in your program where you will be going on practicum or internship while working as a GA.

### **INFORMATION:**

This is a 20-hour per week position, 3 days a week with occasional availability to provide evening/weekend programming (whatever days are worked the total work with be 20 hours per week). Tuition remission for up to six credits a semester (Fall and Spring) and hourly wage of \$12.30.

### **APPLICATION:**

All interested, qualified applicants should submit a resume and cover letter to the following email: [studentemployment@rider.edu](mailto:studentemployment@rider.edu).
