GET is an app designed to be a mobile phone version of your Bronc ID. From within this app, you can open doors, access parking gates, use your meal plan in Daly's Dining Hall and place an order on the Grub Hub Kiosk in Cranberry's.
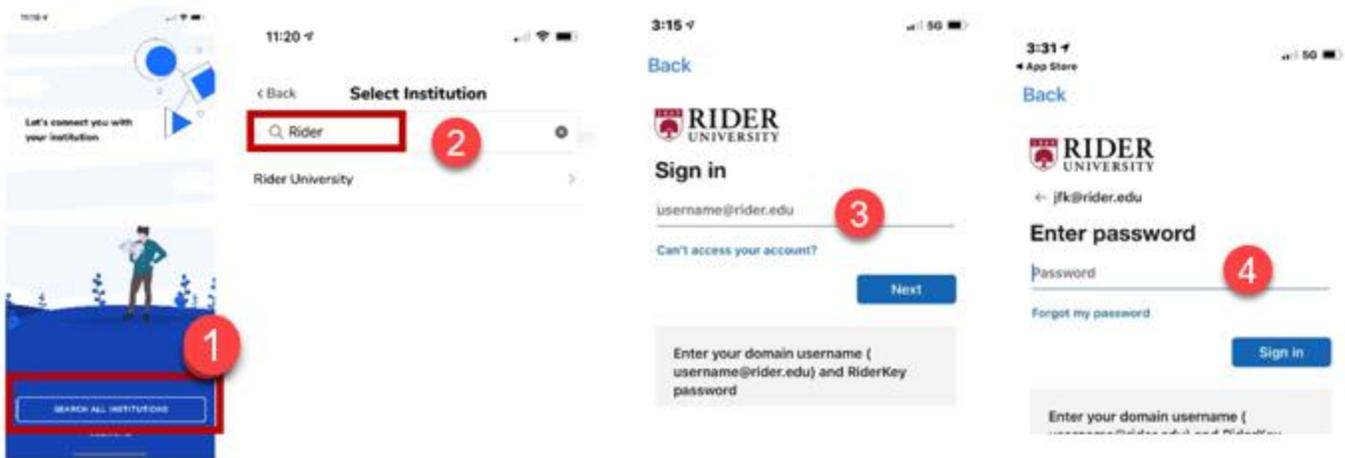

In order to use GET, an ID photo MUST display in the app. If it does not appear, you may submit a photo and proof of identification <u>here</u> or visit public safety to have a picture taken for you.

The app is available from the App Store or Google Play. Once downloaded, students, staff or faculty can use their smartphones to access readers instead of presenting their physical ID.
