

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding any Federal Student Aid, we must ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, the financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and the other required documents to the financial aid office at Bart Luedeke Center, 2<sup>nd</sup> Floor or email to [verification@rider.edu](mailto:verification@rider.edu). If you have any questions concerning this process, please contact the Office of Financial Aid at (609) 896-5360. **You must complete each part in its entirety and print clearly with the student's Bronc ID on each page.** *The verification process will not be completed if this form is incomplete and/or if documents are missing.*
