

RIDER UNIVERSITY
NEW STUDENT ENGAGEMENT EXPERIENCE (NSSE) EVENT TRACKING FORM

YOUR INFORMATION:

Name:

Email:

Bronc ID:

IMPORTANT: Completing this form will not earn engaged learning points but it can be used for recording your attendance and thoughts about different events you attend. Once you have attended SIX events you must complete a form in BroncNation that requires you write a short but thoughtful reflection about the events you attended. Submit the form in BroncNation for review/approval to earn 1 point. For questions, please reach out to your SNO Navigation Coach at navigate@rider.edu or your TRIO / EOP / MSP advisor or counselor, or email your question to engagedlearning@rider.edu.

HOW TO EARN ONE ENGAGED LEARNING POINT: Attend six Rider campus or virtual events during your first year at Rider. Assign each event to one of the themes shown below, with no more than two (2) events assigned to any one theme.

Use this form to keep track of the details for each event you have attended. Print or download and save this .pdf to your computer or phone and fill it in as you go. Bring it when you meet with your SNO / TRIO / EOP / MSP advisor or counselor. When you have a list of six events that fit into the different themes, you will need to complete a form in BroncNation before you will earn the point. For information on NSSE and where to find the form to complete, see the information and instructions on this webpage: <https://www.rider.edu/academics/engaged-learning/new-student-engagement-program>
