

ONLINE OR ON-CAMPUS INTENSIVE

Voice Pedagogy Institute

A PROGRAM FOR PROFESSIONAL VOICE USERS
WHO WISH TO BECOME BETTER TEACHERS

Discover a more complete understanding of voice pedagogy, a practical approach to voice science and more experience with voice technology.

July 18–22

We offer evidence-based teaching with practical applications of:

- » Voice anatomy/physiology and acoustics
- » Vocal health with voice-centered laryngologists
- » Technical work in both Classical and Musical Theater genres
- » Yoga as it applies to singing
- » Interactive look-in lessons with master teachers
- » Use of a Presser Voice Lab

Joan Lader

Musical Theatre Master Clinician

Kenneth Bozeman

Classical Master Clinician

Lucinda Halstead

ENT: Voice
