Plans are provided by: Aetna Life Insurance Company. While this material is believed to be accurate as of the production date, it is subject to change.

Health benefits and health insurance plans contain exclusions and limitations. Not all health services are covered.

See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by location and are subject to change. Providers are independent contractors and are not our agents. Provider participation may change without notice. We do not provide care or guarantee access to health services.

The following is a list of services and supplies that are *generally* not covered. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.

• All medical and hospital services not specifically covered in, or which are limited or excluded by your plan documents.

- Cosmetic surgery, including breast reduction.
- Custodial care.
- Dental care and dental X-rays.
- Donor egg retrieval

• Experimental and investigational procedures, except for coverage for medically necessary routine patient care costs for members participating in a cancer clinical trial.

- Hearing aids
- Home births

• Immunizations for travel or work, except where medically necessary or indicated.

• Implantable drugs and certain injectable drugs including injectable infertility drugs.

• Infertility services, including artificial insemination and advanced reproductive technologies such as IVF, ZIFT, GIFT, ICSI and other related services, unless specifically listed as covered in your plan documents.

- Long-term rehabilitation therapy.
- Non-medically necessary services or supplies.

• Outpatient prescription drugs (except for treatment of diabetes), unless covered by a prescription plan rider and overthe-counter medications (except as provided in a hospital) and supplies.

• Radial keratotomy or related procedures.

• Reversal of sterilization.

• Services for the treatment of sexual dysfunction/enhancement, including therapy, supplies or counseling or prescription drugs.

- · Special duty nursing.
- Therapy or rehabilitation other than those listed as covered.

• Weight control services including surgical procedures, medical treatments, weight control/loss programs, dietary regimens and supplements, appetite suppressants and other medications; food or food supplements, exercise programs, exercise or other equipment; and other services and supplies that are primarily intended to control weight or treat obesity, including Morbid Obesity, or for the purpose of weight reduction, regardless of the existence of comorbid conditions.

In case of emergency, call 911 or your local emergency hotline, or go directly to an emergency care facility.
