Change of Major/ Concentration Form

OVERVIEW: Changing your academic program is an important decision and requires considerable thought. This may mean changing colleges/schools within Rider. Doing so may affect your General Education requirements. Students should meet with the chairperson or a faculty member in the department to discuss general education and program requirements before submitting this form. Please review the current listings of Rider's Undergraduate programs. If changing into College of Education and Human Services, you <u>must</u> have a 2.75 GPA.

INSTRUCTIONS: Complete this form and send it to your Dean's Office for signatures. For students in College of Education and Human Services, forward it to the Department. Forms <u>WILL NOT</u> be accepted directly from a student.
