## Presentation Information

### Poster Session:

Students presenting a poster are required to stand by their posters for **one hour**. You are responsible for printing your own poster.

There are many poster templates available online, such as <https://www.posterpresentations.com/free-poster-templates.html>.

Posters should fit within the following display dimensions: 3 ft 10 in wide by 5 ft 4 in tall. They do not have to be this exact size, they just cannot exceed this size. Pins will be provided.

Alternatively, you may present your research as a multimedia presentation. Tall, round tables will be provided. Students need to bring their own laptop or coordinate with the URSA Committee to acquire a laptop for use. We cannot guarantee there will be access to power for the duration of the poster session.

The poster session date and time are currently TBD. Please check back to the website as well as your email for the date announcement!
