Housing/Dining Accommodation Request for Students with Disabilities or Severe Medical Problems

Directions:

Students:

- Complete Part I
- Sign the Consent for Release of Information on p. 2
- Provide entire form to your disability evaluator or physician

Disability Evaluators and Physicians:

- Complete Part II for all student accommodation requests, including page 7.
- Also, complete Part III, only if the student is requesting dietary modifications.
- Include any relevant reports substantiating student's accommodation request.
- Return the entire Housing/Dining Accommodation Request to Student Accessibility and Support Services by email or the US Postal Service (address/email on final page).

ADDITIONAL INFORMATION:

- *The Housing/Dining Accommodations Committee reviews your request.*
- *Decisions are based on the information provided by you and your disability evaluator or physician. It is required that complete, detailed information be provided by a qualified professional in the medical field for the disability requiring the accommodation. For example: Mental Health Provider for Psychosocial/Emotional diagnosis like Depression or Anxiety. Incomplete forms will not be reviewed. Appeals are considered only when new information is provided.*
- *The Housing/Dining Accommodations Committee reserves the right to ask for additional documentation and/or meet with the student, if such information is needed to make an accommodation decision.*
- *Accommodation decisions are communicated to the student via email from Residence Life and/or Student Accessibility and Support Services.*
- *Requests for Fall are due March 1st for returning students and May 1 for new students.*
- ***Failure to meet the due date may result in the University not being able to provide the requested accommodation.***
