

Manage your retirement account completely online

Rider University has added an online salary deferral feature to the retirement plan to give you more flexibility when making contributions to your retirement account.

Beginning July 1, 2020, you will no longer be able to submit a paper Salary Reduction Agreement to change the amount you contribute to the retirement plan. In addition, you are able to change your contribution amount as often as needed.

Simply log on to your account at **TIAA.org/rider** and follow these steps:

- From the *ACTIONS* menu, select *Change your contribution amount*.
- Update the percentage for your contributions and the date to make your change effective.

You can also go to the same place to make changes to your investment options.

Don't have an online account? Getting set up is easy. Visit **TIAA.org/rider**. Go to *Log in* in the upper-right corner and then *Register for online access*.

Help when you need it

A TIAA financial consultant can help you consider how to save more for retirement. You can call TIAA at **800-732-8353**, weekdays, 8 a.m. to 8 p.m. (ET), and schedule a session to:

- Understand all your investment options
- Determine how much to save
- Make informed choices and monitor your progress

This service is available as part of your retirement program *at no additional cost to you*.

Visit **TIAA.org/rider** anytime to learn more about your plan and its options.
