RIDER UNIVERSITY

INFORMATION FOR SCHOOL COUNSELORS

Rider Counselor Resources & Support

At Rider University, we value our partnership with school counselors as we work together to support students on their higher education journey.

We know how important your role is in guiding students through the college search and admissions process. Our team is here as a resource and partner, offering services designed to support you and your students:

Campus Visit Experiences

Bring your counseling department and/or students to Rider for a campus group tour experience. Tour our 280-acre Lawrenceville campus, connect with the admissions team and explore the academic opportunities, student experiences and resources available at Rider.

Student Workshops and Custom Events

Support your students throughout the college planning process with engaging virtual or in-person workshops. From **college essay writing and application preparation to customized programming**, Rider Admissions can tailor sessions to meet the needs of your students and school community.

Bring Rider to You

Rider Admissions can provide virtual or in-person programming designed to support your counseling department, students and families. Topics can be customized to meet the needs of your school community, including:

» **Financial Aid** | Guidance on financial aid, scholarships and navigating the cost of college

» **Educational Opportunity Program (EOP)** | An overview of eligibility, the application process and student support*

**New Jersey schools only*

» **College Athletics** | Information to help students navigate the college search as prospective student-athletes

» **The College Application Process** | Insight into the applications process, admissions requirements, timelines and next steps
