RIDER UNIVERSITY TRADITIONS

THE PRESIDENT'S ROBE

The robe worn by the president of Rider University was presented by the Rider University Chapter of the American Association of University Professors to Dr. Dell'Omo as a welcome gift in 2015. The robe is cranberry and white, the University's official colors. It is worn by the president at formal academic occasions.

THE RIDER ROCK

The Rider Rock was initiated by students in 2006 to honor generations of Rider students and to connect them to the symbolic Rider Elm, the emblem of learning and the cycles of life. Incoming Rider students touch the Rider Rock following New Student Convocation, and graduating seniors complete the cycle during Senior Week. The five-foot-high granite rock, located on the Lawrenceville Campus Green, is inscribed with Rider's motto, the Latin words "In Omnia Paratus," which translates to "in all things prepared." The inscription continues, "By touching the Rider Rock, we affirm our commitment to the pursuit of knowledge and the betterment of our world. Through the time we spent here, we are forever joined to the past and future generations of students and to Rider University."

THE PRESIDENTIAL MEDALLION

The Presidential Medallion was presented to Dr. Dell'Omo on the occasion of his inauguration as Rider's seventh president. The Presidential Medallion depicts the seal of the University and is inscribed with the University's motto, the Latin words "In Omnia Paratus," which translates to "in all things prepared." Circular links of the chain represent each of the colleges and the names of each of Rider's seven presidents are engraved on curved banner links. The medallion is worn by the president at official University functions of high solemnity when academic attire is worn.

THE MACE

The mace, carried at the head of the procession, is a traditional symbol of authority at governmental, ecclesiastical and scholarly occasions. Originally a warlike implement, it has evolved in form and fabric to fit its present ceremonial purpose. Of silver and ebony, the mace of Rider University is a memorial to Roland T. Henderson, Class of 1949, and was presented in 1975 by his widow, Elizabeth. The names of Rider's seven presidents are engraved on the mace.

RIDER UNIVERSITY STATEMENT OF COMMUNITY VALUES

In our endeavor to make Rider University a just community, we commit ourselves, as caring individuals, to the following principles:

- that our rigorous intellectual life nourishes our minds and spirits;
- that no person travels these halls as a stranger;
- that integrity of word and deed forms the foundation of all relationships;
- that we recognize that real leadership is derived from service to others;
- that we celebrate our differences for they are our strength;
- that we are proud of this special place, entrusted to us by past generations, nurtured by us for future ones;
- that we share not one Truth, but respect our common pursuit for understanding;
- and through the time we spend here, we are forever joined to each other and to Rider University.

Adopted on University Day, April 12, 2001

ACADEMIC HERALDRY

The wearing of caps, gowns, and hoods at college and university functions dates back to the Middle Ages when they were first worn by monks and students in order to keep warm in the damp and drafty 12th-century castles and halls of learning. Through the years, their style and color have come to represent certain exact meanings.

- Gowns for the associate's and bachelor's degrees, worn through undergraduate study, have a semi-stiff yoke, long pleated front and intricate shirring across the shoulders and back. The gown is worn closed and is primarily distinguished by its long, pointed sleeves.
- The gown for the master's degree has the same yoke effect as that of the bachelor's, but is so designed that it may be worn open or closed. The back of the sleeve is oblong and square cut.
- Gowns for the doctoral degree are also worn open or closed. They have long velvet panels down the front and three velvet bars on the bell-shaped sleeves. This velvet trimming may be either black or the color distinctive of the field of learning to which the degree pertains.
- Caps may be mortarboards or soft, square-topped caps. The tassel of the associate's and bachelor's caps may be black thread; the tassel for the master's cap, silver thread; and the tassel of the doctor's cap, gold thread.
- At Rider University, the tassel color indicates graduation with honors: undergraduate degree candidates receiving their degree with honors, cum laude, magna cum laude, or summa cum laude, wear white tassels. Master's degree candidates receiving their degree with distinction wear tassels of cranberry.
- The hood gives further color and meaning to the academic costume. The hood is a shell of varying sizes for the baccalaureate and graduate degrees and of material to match the gown. It is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning:
 - Business/Drab
 - Education/Light Blue
 - Fine and Performing Arts/Brown
 - Liberal Arts/White
 - Music/Pink
 - Nursing /Apricot
 - Physical Education and Health/Sage Green
 - Science/Gold

RECESSIONAL

The audience is asked to rise for the recessional.

We recognize the passing of members of our Rider community with the flower arrangements located center stage. Flags hanging in the arena represent the countries of graduates' citizenship.

HONORARY DEGREE RECIPIENT

NORM BRODSKY '64

Rider University is proud to bestow an honorary Doctorate of Business to Norm Brodsky '64 at its 2018 Commencement ceremony.

Norm Brodsky is the personification of the word entrepreneur, founding eight successful businesses, including Citi storage, the largest privately owned archive business in the country.

At first a practicing lawyer, Brodsky sought a faster pace outside the courtroom. In 1979, he launched his first business endeavor, Perfect Courier, a messenger service based in New York City. Within a few years, it was a thriving enterprise with offices around the country, appearing on *Inc.* magazine's annual listing of the 500 fastest-growing private companies in America for three consecutive years.

Other ventures include U.S. Document Security, a secure document destruction business; a large-scale land purchase now known as Bushwick Inlet Park; Kobeyaki, a fast-casual Japanese restaurant; and the hotel chain Black Gold Suites, among others.

Since 1995, he has been a contributing writer to *Inc.* magazine's "Street Smarts" column. The column has been enormously popular with readers and was twice a finalist for a National Magazine Award. In 2008, it received a gold Azbee award from the American Society of Business Publication Editors.

His successful column opened doors for regular appearances on CNBC, CNN and Bloomberg TV to discuss his extensive business knowledge. He also co-authored the book *Street Smarts: An All-Purpose Tool Kit*

for *Entrepreneurs* with *Inc.* magazine Editor-At-Large Bo Burlingham.

Mentoring is a significant aspect of Brodsky's life. He has provided pro bono consulting services to hundreds of entrepreneurs and in 2014 established the Branded Entrepreneurs Network Global Mentorship, now known as Birthing of Giants. Brodsky serves as the organization's entrepreneur-in-residence.

As a proud Rider alumnus, Brodsky continually supports his alma mater by providing his insights about how to succeed in business to students. Most recently, his tremendous support has allowed a high school senior to receive a full, four-year tuition scholarship to Rider through the Norm Brodsky Idea/Business Concept Competition.

Degree Candidates

The following is a list of candidates for degrees. Indication of graduation honors is based upon the cumulative grade point average after the conclusion of the fall semester. The official roster of degree recipients and the final calculation of graduation honors are recorded in the Office of the Registrar of the University.

* Degree candidates listed with this symbol completed their degree requirements in December 2017 or January 2018.

+ Degree candidates listed with this symbol are expected to complete their degree requirements during the summer.

A recording of today's ceremony will be archived on the Rider University website.

Today's graduates are being professionally photographed by Legacy Photographics. Proofs will be sent to their rider.edu email address.

RECESSIONAL

The audience is asked to rise for the recessional.

We recognize the passing of members of our Rider community with the flower arrangements located center stage. Flags hanging in the arena represent the countries of graduates' citizenship.

COMMENCEMENT SPEAKER

HON. MARK SCHWEIKER '83, '04

Rider University is proud to welcome Hon. Mark Schweiker '83 as its 2018 Commencement speaker. In 2004, he received an honorary Doctor of Laws degree from Rider.

Hon. Mark Schweiker is an accomplished businessman and political leader. Currently, he serves as the senior vice president and corporate development officer of the biotechnology company Renmatix, the leading producer of cellulosic sugars for the global renewable chemical and fuels markets. He also provides strategic guidance and government and media relations services to Fortune 500 companies, privately held firms and nonprofit organizations.

Schweiker first entered the business world after college and advanced to executive positions at Merrill Lynch, McGraw Hill and his own management consulting firm before pursuing public service. In 1979, he was elected to his first government role as Pennsylvania's Middletown Township supervisor and in 1987 became Pennsylvania's Bucks County commissioner.

He was elected Pennsylvania's lieutenant governor in 1994 and was re-elected in 1998. He was the only governor to hold the position as a direct result of the Sept. 11 terrorist attacks. Schweiker became governor after the Hon. Tom Ridge moved to the Bush administration to ultimately become the first Secretary of Homeland Security. During

his tenure as governor, he dramatically increased state security after 9/11, created the most advanced urban-reform plan in the history of American K-12 public education and personally oversaw the successful rescue operation of nine trapped coal miners in Somerset County, Pa.

Schweiker went on to become president and chief executive officer of the Greater Philadelphia Chamber of Commerce and later the president of PRWT Business Process Solutions where he continues as a member of the corporate board of directors. He also serves as a senior advisor to the law firm Stradley Ronan where he assists clients in undertaking and managing government relations and public affairs issues.

Degree Candidates

The following is a list of candidates for degrees. Indication of graduation honors is based upon the cumulative grade point average after the conclusion of the fall semester. The official roster of degree recipients and the final calculation of graduation honors are recorded in the Office of the Registrar of the University.

* Degree candidates listed with this symbol completed their degree requirements in December 2017 or January 2018.

+ Degree candidates listed with this symbol are expected to complete their degree requirements during the summer.

A recording of today's ceremony will be archived on the Rider University website.

Today's graduates are being professionally photographed by Legacy Photographics. Proofs will be sent to their rider.edu email address.

RIDER UNIVERSITY IS COMMITTED TO
DOING ITS PART FOR THE ENVIRONMENT.

SEVERAL INITIATIVES AIMED AT FULFILLING THAT
COMMITMENT ARE A PART OF TODAY'S CEREMONY:

- The eco-friendly caps and gowns being worn by graduates are made from 100 percent, post-consumer recycled plastic bottles with an average of 23 bottles used to make each gown. Funding for the GreenWeaver™ graduation gowns has been provided by the Rider University Energy and Sustainability Steering Committee (ESSC).
- In addition, this souvenir Commencement book has been printed by an FSC-certified printer with vegetable-based inks on FSC-certified paper with 10 percent post-consumer waste recycled content.
- The Forest Stewardship Council (FSC) is an international network existing to promote responsible management of the world's forests. The FSC label identifies products that contain wood from well-managed forests certified in accordance with the rules of the FSC, which ensure that people, wildlife and the environment benefit from the forestry practices. FSC certification is globally recognized as being the most credible and strongest system for ensuring well-managed forests.
