

Rider University's Sibling Grant Policy and Application

An annual Sibling Grant is offered to families with more than one sibling concurrently in attendance during an academic year. Summer Sessions are excluded.

The Sibling Grant is credited per semester of eligible concurrent attendance- \$1,000.00 in the Fall and \$1,000.00 in the Spring.

Siblings must be enrolled full time in an undergraduate academic program, and must complete an application for consideration.

The Sibling Grant is applied to the second (and subsequent) sibling in concurrent attendance. If both siblings are at the same academic level, one sibling will be chosen to receive the grant.

Eligible recipients must maintain a 2.5 cumulative grade point average. Siblings are not eligible if any are:

- receiving tuition remission,
- receiving gift aid at or in excess of full tuition,
- enrolled at a discounted (non-comprehensive) tuition rate,
- enrolled in a tuition exchange program, or
- receiving a Legacy Award.

This application is limited to a single academic year. Renewal applications must be completed each school year. Summer sessions are not covered. Approved grants will be included as part of the selected student's financial aid award letter.

We have read and understand the terms and conditions above. Application Date: _____

Please indicate semester(s) of application.
Check only one.
