¹ MSD-104 Intro to Quantitative Methods is a 3 credit course and is counted as a Free Elective.

² Global/Cultural Liberal Arts Electives can be satisfied by courses that are designated as Global/Cultural, including language courses at the 101-level or above.

³ Students who plan to complete the 150 hour requirement in four years should take Business Law (BUS-210) as a Free Elective.

⁴ Transfer and CCS students can take MGT-336 Career Management as a substitute.

⁵ Choose from LDP-398 Co-op Experience Seminar, LDP-200 Foundations of Leadership, LDP-220 Service Learning through MOB, MGT-355 Team Management, MGT-363 Management Skills.

*NOTE: Many students will choose to pursue CPA certification. Requirements for 150 credit hours suggest the potential benefit of combining the four year requirements (shown here) with those of the Rider Master of Accountancy (MAcc) Program. Consult your advisor regarding the applicability of the MAcc Program toward your career planning and choose electives accordingly.

** Students entering the MAcc program graduating with 120 or more credits (excluding ACC-406) are NOT required to take ACC-406. Another undergraduate business elective may be substituted.
