Meet the 2011-2012
Institute of Management Accountants Officers

The Institute of Management Accountant’s mission is to provide a forum for research, practice development, education, knowledge sharing, and the advocacy of the highest ethical and best business practices in management accounting and finance. Under the direction of faculty advisor Dr. Evelyn McDowell, the IMA gives students the opportunity to participate in a variety of professional events and network with accounting professionals. The following are the elected officers for the 2011-2012 academic year:

President: Brittany Phillips

Brittany Phillips, a senior Accounting major, is always eager to get involved on campus. Apart from serving as President of IMA, she is also the Public Relations chair for West Village. Brittany’s long-term goals include getting a MAcc degree and becoming certified as a CPA.

Upon graduating in 2012, Felicia wants to work for a public accounting firm.
