Present

CHEMISTRY CAREER CAFÉ SERIES: Chemistry of Protection & Global Security

TCNJ, Business Basement Lounge

Saturday, April 21, 2012 from 10:00-1:00

High school, college, & graduate students are invited to:

- listen to local chemists discuss their jobs, experiences and paths toward careers that protect our rights & health
- network with chemists over a boxed lunch
- discover local internship & career opportunities

FREE with pre-registration by April 14th.

Limited to 60 students
