Rider University Statement of Community Values

In our endeavor to make Rider University a just community, we commit ourselves, as caring individuals, to the following principles:

- that our rigorous intellectual life nourishes our minds and spirits;
- that no person travels these halls as a stranger;
- that integrity of word and deed forms the foundation of all relationships;
- that we recognize that real leadership is derived from service to others;
- that we celebrate our differences for they are our strength;
- that we are proud of this special place, entrusted to us by past generations, nurtured by us for future ones;
- that we share not one Truth, but respect our common pursuit for understanding;
- and through the time we spend here, we are forever joined to each other and to Rider University.

Adopted on University Day, April 12, 2001

The Tradition of the Rider Rock

The Rider Rock was initiated by students in 2006 to honor generations of Rider students, past, present and future and to connect them to the symbolic Rider Elm, the emblem of learning and the cycles of life.

Incoming Rider students touch the Rider Rock following New Student Convocation, and graduating seniors complete the cycle on Commencement Day. At the end of their Commencement ceremony on the Campus Green, graduates have an opportunity to walk by and touch the Rider Rock, which is located adjacent to the Bart Luedeke Center Patio.

The five-foot-high granite rock is inscribed with Rider's motto, the Latin words "In Omnia Paratus," which translates to "in all things prepared," along with the insignia of the tree of knowledge and 1865, the year Rider was founded. The inscription continues, "By touching the Rider Rock, we affirm our commitment to the pursuit of knowledge and the betterment of our world. Through the time we spent here, we are forever joined to the past and future generations of students and to Rider University."

Academic Heraldry

The wearing of caps, gowns, and hoods at college and university functions dates back to the Middle Ages when they were first worn by monks and students in order to keep warm in the damp and drafty 12th-century castles and halls of learning. Through the years, their style and color have come to represent certain exact meanings.

- Gowns for the associate's and bachelor's degrees, worn through undergraduate study, have a semi-stiff yoke, long pleated front and intricate shirring across the shoulders and back. The gown is worn closed and is primarily distinguished by its long, pointed sleeves.
- The gown for the master's degree has the same yoke effect as that of the bachelor's, but is so designed that it may be worn open or closed. The back of the sleeve is oblong and square cut.
- Gowns for the doctoral degree are also worn open or closed. They have long velvet panels down the front and three velvet bars on the bell-shaped sleeves. This velvet trimming may be either black or the color distinctive of the field of learning to which the degree pertains.
- Certain changes were made in 1960, and some colleges and universities have departed from the traditional black and adopted gowns in the official colors of the institution.
- Caps may be of serge, broadcloth, cotton, rayon, or silk, or, for the doctor's outfit only, velvet. Caps may be mortarboards or soft, square-topped caps. The tassel of the associate's and bachelor's caps may be black thread; the tassel for the master's cap, silver thread; and the tassel of the doctor's cap, gold thread.
- At Rider University, the tassel color indicates graduation with honors: undergraduate degree candidates receiving their degree with honors, cum laude, magna cum laude, or summa cum laude, wear white tassels. Master's degree candidates receiving their degree with distinction wear tassels of cranberry.
- The hood gives further color and meaning to the academic costume. The hood is a shell of varying sizes for the baccalaureate and graduate degrees and of material to match the gown. It is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning:

Accountancy, Business, Commerce	Drab
Education	Light Blue
Liberal Arts and Sciences	White
Music	Pink
Nursing	Apricot

- The robe worn by the president of Rider University was presented by the Rider University Chapter of the American Association of University Professors to Dr. Rozanski on the occasion of his inauguration as the sixth president of Rider. The robe is cranberry and white, the University's official colors. It is worn by the president at formal academic occasions at the University.
- The mace, carried at the head of the procession, is a traditional symbol of authority at governmental, ecclesiastical and scholarly occasions. Originally a warlike implement, it has evolved in form and fabric to fit its present ceremonial purpose. Of silver and ebony, the mace of Rider University is a memorial to Roland T. Henderson, Class of 1949, and was presented in 1975 by his widow, Elizabeth. The names of the six Rider presidents are engraved on the mace.

Honorary Doctor of Laws

MR. PETER INVERSO '60

Rider University is proud to award the Honorary Doctor of Laws to the Honorable Peter Inverso '60 at its 150th Commencement ceremony, this May 15, 2015.

Senator Inverso served the 14th district of New Jersey with distinction as State Senator from 1992 to 2008. He held several positions during his tenure in the state legislature including Assistant Majority Leader, Deputy Minority Leader, Chairman of the State Government Committee, Co-Chairman of the Law and Public Safety and Veterans' Affairs Committee and Vice Chairman of the Budget and Appropriations Committee.

Dedicated to protecting New Jersey's children, Peter was the prime architect of several important pieces of legislation, which currently serve as national models. Among them are Megan's Law, the Megan's Law Internet Notification amendment, and the Victim's Impact Statement. A tireless advocate for education, Peter was also responsible for the establishment of the School Breakfast Program and the Outstanding Scholars Recruitment Program, designed to keep the best and brightest college-age students in New Jersey.

Before joining the state legislature, Peter served on the Mercer County Board of Chosen Freeholders from 1981 to 1983 and then again from 1987 to 1989. A highly regarded business leader, Peter was president and CEO of Roma Financial Corporation and its subsidiary Roma Bank from 2000 until its 2013 merger with Investors Bank. He was also Chairman of the Board of RomAsia Bank and has served on numerous boards, including as Vice Chair for Catholic Charities and as Chairman of Robert Wood Johnson Healthcare among others.

Peter is a proud Rider alumnus having earned his Bachelor of Science in Commerce in 1960. He was honored in 2012 as a member of Rider's Accounting Hall of Fame and served his alma mater as a member of the Board of Trustees from 2003 to 2012.

2015 Distinguished Teaching Awards

DR. TAN MILLER

Associate Professor and Director

Global Supply Chain Management Program

Dr. Tan Miller joined Rider's faculty in September 2008 as a visiting professor. He was instrumental in developing Rider's global supply chain management program, which launched in September 2009 and is now ranked among the nation's top 25 programs by the global research firm Gartner. Tan earned his master's and doctorate from the University of Pennsylvania and his MBA from the Wharton School. Before joining Rider, he worked in private industry for more than 20 years, including a role as regional director of distribution and head of U.S. consumer distribution at Johnson & Johnson, where he made time to volunteer on Rider's Science Advisory Board. Tan has influenced countless students to major in global supply chain management. In nominating him for the award, one student wrote, "Dr. Miller is one of the main reasons I chose Rider University. He is a great teacher and a superb advisor."

DR. NIKKI SHEPARDSON

Associate Professor, History Department

A member of Rider's faculty since 2000, Dr. Nikki Shepardson teaches early modern and modern European history. Students praise her passion for the subject and engaging teaching style. Nikki earned a doctorate in European history, as well as a master's in history, from Rutgers University. Her research concentrates on martyrs and martyrdom in sixteenth-century France as well as gender issues in the Renaissance and Reformation. Students, even non-history majors, line up to take multiple classes with Nikki. In nominating her, one student wrote, "Her passion for the material is contagious. Not being a history major myself, she makes her classes fun and exciting."

2015 Dominick A. Iorio Research Prize

DR. WENDY HEATH

Professor, Psychology Department

Dr. Wendy Heath has been a member of the Rider University faculty since 1993. She earned a master's and doctorate in experimental psychology from the University of Texas at Arlington. Over her career, Wendy's research has applied the tools of experimental psychology to examine how memory and judgment affect juror decision making. Her work, which has found an eager audience of legal scholars and psychologists, has led to a greater understanding of how jurors perceive defendant behavior — knowledge with important implications for justice in society. As a research scholar for the Innocence Project, a national nonprofit organization that works to exonerate the wrongfully convicted, Wendy has undertaken research that promises to dramatically impact public understanding of wrongful conviction. Through the example of her teaching and scholarship, Wendy serves as a model of excellence for the entire Rider community and beyond.

Degree Candidates

The following is a list of candidates for degrees. Indication of graduation honors is based upon the cumulative grade point average after the conclusion of the fall semester. The official roster of degree recipients and the final calculation of graduation honors are recorded in the Office of the Registrar of the University.

** Degree candidates listed with this symbol completed their degree requirements in December 2014 or January 2015.*

+ Degree candidates listed with this symbol are expected to complete their degree requirements during the summer.

A recording of today's ceremony is available on DVD from Rider University Media Services.

Rider University is committed to doing its part for the environment. Several initiatives aimed at fulfilling that commitment are a part of today's Commencement ceremonies:

The eco-friendly caps and gowns being worn by graduates are made from 100 percent, post-consumer recycled plastic bottles with an average of 23 bottles used to make each gown. Funding for the GreenWeaver™ graduation gowns has been provided by the Rider University Energy and Sustainability Steering Committee (ESSC).

In addition, this souvenir Commencement book has been printed by an FSC-certified printer with vegetable-based inks on FSC-certified paper with 10 percent post-consumer waste recycled content.

The Forest Stewardship Council (FSC) is an international network existing to promote responsible management of the world's forests. The FSC label identifies products that contain wood from well-managed forests certified in accordance with the rules of the FSC, which ensure that people, wildlife and the environment benefit from the forestry practices. FSC certification is globally recognized as being the most credible and strongest system for ensuring well-managed forests.

Cranberry Cavalry

Thank You!

The Cranberry Cavalry program was introduced to create a lifelong connection to Rider University by establishing meaningful engagement opportunities for students and alumni. Presented by the offices of Alumni Relations, Annual Giving and Career Services, the program introduces Rider students to our history and traditions and demonstrates how alumni are a vital part of our past, present, and future. The program offers three vital components for student success: social events, stewardship and career development sessions.

The Class of 2015 Gift Campaign is a culmination of this initiative. The graduates listed to the right have contributed to this campaign (as of April 27, 2015), thereby supporting a long-standing tradition of students coming together to invest in the future of Rider by making their first gift to the University. The funds from this campaign support a scholarship in honor of the Class of 2015 to be awarded during the 2015-16 academic year to select upper-class students whose financial situations may hinder their ability to complete their studies. Each graduate who contributed at least \$18.65 in honor of Rider's founding year was presented with a Rider lapel pin to proudly wear today at commencement.

To date, the Class of 2015 has raised the funds to award five scholarships to members of next year's graduating class. You can still make a difference. Gifts to The Class of 2015 Scholarship Fund are accepted through June 30, 2015. For more detailed information, or to make your gift online, please visit alumni.rider.edu/classgift.

Parents of the Class of 2015 are also invited to make a gift to The Parents Campaign in support of The Rider Scholarship Fund in order to receive their own Rider lapel pin.

Please visit The Parents Campaign table located on the Campus Green for more details or contact Andrea Jarvis in the Office of Annual Giving at 609-896-5219 or via email at ajarvis@rider.edu.

*Congratulations and best wishes
for a bright and successful future!*

*Thanks to all contributing members of the
Class of 2015!*
