When you first access the Enhanced Course Roster, you will be prompted to begin a guided tour or skip the tour.

NOTE: The Enhanced Course Roster is for PLANNING PURPOSES ONLY. You will NOT be able to register via this product!

Welcome to the guided tour!

Click *Start Tour* to get a brief overview of this site. Here we'll point out important features and tips to make your experience easier. The tour can be ended at any time by clicking the *X* in any box or hitting the *escape* key.

Disclaimer: *The Sketch a Schedule functionality is for **planning purposes only**. To officially register for classes go to <http://myrider.rider.edu> and select Search and/or Register for Classes.*

1 Stars

Click the star icon to add a course to your *Sketched Schedule*. Click it again to remove it.

	Subject	Course	Section	
★	BHP	206	TEO	Honors Sem:P
★	bhp	206	Section	Title

Filter the star column by clicking this

Clicking on a star next to a specific section identifies this as a preferred section. As you search through the roster for the classes you want to take, you can star your preferences as you go along. When you are done, you can filter the roster to show only the sections you have starred by clicking on the star in the bottom menu.

2

Sorting Columns

Each column can be sorted ascending or descending by clicking on the column header. Double-clicking the header will remove sorting.

You can modify the columns that display on your screen by checking or unchecking the options under Show/Hide Columns. NOTE: You should keep the CRN column, as you will need the CRN to register for classes.

You can elect to save a copy of the report by choosing one of the following:

Save/Export

5 **Sketched Schedule**

Click this link to view your *Sketched Schedule*.
 This will show you a calendar view of the courses you *starred*, which then can be printed. *Note: This is not a course registration process, only a course selection process.*

10 **Column Filter**

You can narrow down the results by filtering each column individually. Simply enter your search criteria in the input boxes. Multiple criteria can be entered by separating each item with a space. *Note that spaces will automatically be replaced with the | character (e.g., BUS|ADV|ACC).*

Next

11 **Ranger Filtering**

Enter a range (e.g., 1 to 20), or just put a number in first box for greater than or equal to that number, or number in second box for less than equal to that number.
