VII. For the good of the order

Laura proposed some goal setting activities to help you (the students) to better understand your role and better assist students and bring some focus to the group.

Christian created [www.westminstersga.org/senate](http://www.westminstersga.org/senate) that goes directly to the Senate.

Chris Olson stated that there has been concern of the lawn service mowing during class time. This prevents the students from learning and causes allergies from the pollen.

Chris also asked why the University is spending a lot of money on landscaping when we need a new academic building? Who is funding this and why?

Christian stated that there has been a big desire to make the front of Williamson Hall presentable for major donors and funders like Merrill Lynch.

Matthew Guld brought up the idea of a pool tournament in the community.

Laura suggested he document his plan and discuss with her.

There has been a problem with smoking near the residence halls. Some suggested a designated smoking area or zone
