

S. RES. 10

Supporting SGA Events.

IN THE SENATE OF THE WESTMINSTER SGA

MARCH 24, 2005

Ms. FOSTER submitted the following resolution; which was considered and agreed to

RESOLUTION

Supporting SGA Events.

Whereas SGA leaders, including the SGA Executive Board and SGA advisors, have motivated the rest of the General Assembly to increase and diversify their programming to better the social life of the Westminster community;

Whereas members of the General Assembly are working more diligently on the programming by hosting an increasing amount of diverse events, using more creativity, and working with smaller budgets and improved advertising;

Whereas many of the General Assembly have not been present at every organization event this year;

Whereas the students acknowledged that organizations cannot expect others to attend their programming events if SGA leaders as well as the rest of General Assembly do not show support to other organization's events: Now, therefore, be it

Resolved, that

1 The students thank the Student Government
2 Association for providing necessary training to its
3 organization to aid in the planning of well
4 organized programming events.
5 The Students request each SGA leader and
6 member to attend at least one large event per
7 organization each semester.
8 The students ask that the SGA recognize that their
9 attendance is needed for mere support to the other
10 organizations. They are not required to have any
11 relation and/or beliefs to the mission of the
12 organizations
