☐ I hereby apply for admission to Rider University and if admitted, will uphold the standards and spirit of the Codes of Academic and Social Conduct.*

* Codes of Academic and Social Conduct: The preamble to the Code of Academic Conduct includes the following statements: Academic honesty constitutes the cornerstone of the academic community. Rider University insists on strict adherence to the concept of academic honesty as indispensable to the continued existence and future development of the campus community.

The Code of Social Conduct articulates guidelines for defining rights and responsibilities within the community. In order to function effectively and to prove a climate in which all members can fulfill their personal and community obligations, guidelines are enforced.

The complete text of the codes is in the Rider “Source”, which is available online at www.rider.edu at the beginning of each year. Rider expects all students to honor and maintain these codes.

Rider University encourages applications from all men and women whose achievements in either high school or college show evidence of their ability to successfully complete programs at the University.
