

Application for Post Baccalaureate Premedical, Predental, Preveterinary Studies

Thank you for your interest in post-baccalaureate Premedical, Predental or Preveterinary studies at Rider University. Students who meet the requirements indicated on the reverse side are eligible to receive academic advising and professional school application support from Rider's Premedical Studies Committee.

Date: _____

Name: _____ SS#: _____

Address: _____ Day Phone#: _____

_____ Evening Phone#: _____

E-mail Address: _____

Highest Degree Awarded: _____ Degree in Progress: _____

Year Granted: _____ Expected Graduation Date: _____

College Granting Degree: _____

NOTE: You must submit official transcripts from all higher education institutions attended to the College of Continuing Studies prior to being accepted.

I have read and understand the stipulations on the reverse side of the form.

Signature: _____ Date: _____

To be eligible for status as a post-baccalaureate Premedical student:

- You must have a baccalaureate degree from an accredited college or university
- You must have a 3.25 cumulative GPA in all completed undergraduate work.
- You must be enrolled through the College of Continuing Studies (CCS)
- You must seek academic advising from the Chair of the Premedical Studies Committee every semester you attend Rider University in addition to any advising you receive at CCS.
- You must receive a “B” or better in all science courses that you take at Rider University.
- You must schedule an interview with the Premedical Studies Committee every Fall semester while you are enrolled at Rider University.
- You must release the results of the preprofessional standardized tests (MCAT, DAT, GRE, etc) to the Chair of the Premedical Studies Committee.

Admission Checklist:

- Complete the Post-baccalaureate application [no fee required]
- Submit the above application along with a statement explaining why you wish to pursue a medical/dental/veterinary degree at this point in your life to the College of Continuing Studies at the address below.
- Have official transcripts from all higher education institutions attended sent to the College of Continuing Studies at the address below.

The above information will be reviewed by the Chair of the Post-Baccalaureate Studies Committee and the College of Continuing Studies. If you are accepted into the program:

- Complete and submit the CCS application form [\$50 non-refundable fee].

Call and/or send application to:

College of Continuing Studies

Science Prerequisites for Medical School Applicants

The following are the basic science course prerequisites for applicants to all U.S. medical colleges. Students should be aware that individual medical schools may have additional science and non-science course requirements. In addition, dental and veterinary programs vary widely in their science course prerequisites. Therefore, it is the student's responsibility to fulfill the requirements of the programs to which they wish to apply.

BIO115	Principles of Biology: Evolution, Diversity, and Biology of Animals	4 cr
BIO115L	Principles of Biology: Animal Lab	0
BIO117	Principles of Biology: Biology of Cells	4
BIO117L	Principles of Biology: Cell Lab	0
CHE120	Principles of Chemistry	3
CHE121	Principles of Chemistry Lab	1
