

Senior Year - Spring To Do List

Academics

- Meet with your academic advisor to ensure you are on track to graduate
- Calculate your GPA in [Degree Works](#) and set a goal for what you want to graduate with
- Consider applying to [graduate school](#) to continue your educational journey
- Complete all of your requirements to get your cap and gown
- Plan on [requesting transcripts](#) for any employment opportunities you may have

Community and Involvement

- Mentor a younger student and give them advice based on your Rider experience
- Participate in on [campus events](#) and show your **RIDER** pride!
- Further your impact and give back through community service
- Prepare to transition out of any clubs/orgs, pass down things you have learned
- Participate in senior week and contribute to your class gift to leave a legacy
- Consider things that you still want to get involved with before you graduate

*We wear Cranberry
on Wednesdays!*

Career Preparation

- Meet with your career advisor to discuss career opportunities and your goals
- Use [Handshake](#) to review employment opportunities that are available
- Attend a [resume workshop](#) to review your resume
- Attend a [Rider Career Fair](#), and hand out resumes to potential employers

Personal Growth

- Reflect on your time at Rider, what will your legacy be?
- Think about the growth you have experienced both personally and professionally
 - Reflect with a friend or a mentor
- Consider ways that you are going to continue growing as an individual after graduation
